## • OVERVIEW •

### A Maze'N Things Entry Ticket

A Maze 'N Things is a hard place to describe. It's fun but challenging. It's a theme park for adults as much as children. The staff can tell you to get lost, and you thank them. You pay to go in for a look, but what you see is not what you get. Some things go up when they should go down. Some disappear and others just multiply. Sometimes it is hard to explain what makes this place so great, unless you have actually been and then you will keep coming back.
