Melbourne Ballarat Sovereign Hill Entry Ticket

Sovereign Hill is an outdoor museum presenting the story of Australia's fabulous goldrush history. Its particular focus is the impact of the great 19th century gold discoveries on the growth of Ballarat, which was a small pastoral settlement when gold was discovered in 1851. By 1861, Ballarat had grown into a fine provincial city built on the wealth derived from its gold.

Since opening in November 1970, Sovereign Hill has become an Australian tourism icon, winning many major tourism awards. Today, Sovereign Hill attracts some 450,000 visitors each year and is known world wide as a living museum with a strong emphasis on working machinery and exhibits, costumed interpreters and visitor participation.

Sovereign Hill

Australia's foremost outdoor museum, Sovereign Hill re-creates Ballarat's first ten years after the discovery of gold in 1851 when thousands of international adventurers rushed to the Australian goldfields in search of fortune.

By day, Sovereign Hill is where Australia's history comes to life! It's just like stepping back in time - from the hustle and bustle of Main Street where costumed ladies and gents parade their new-found wealth, to the excitement of the Red Hill Gully Diggings where you can pan for real gold and it's yours to keep!

At Sovereign Hill, you can see a spectacular \$160,000 gold pour, venture underground on a fully-guided gold mine tour or catch a horse-drawn coach and tour the town. Go shopping 1850s-style and visit hotels, schools and a theatre with goldfields entertainers. See steam-driven machinery in action and chat with the wheelwrights, candlemakers and confectioners as they ply their trades. On the streets and in the theatre, you will be entertained by costumed goldfields characters who are happy to pose for a great photo.

Sovereign Hill never stands still! There is always something new to see and do. Their commitment to product improvement, authenticity and value-for-money family entertainment has established Sovereign Hill as an internationally renowned cultural tourism attraction and a regular winner of tourism and museum industry awards.

Gold Museum

The Gold Museum extends Sovereign Hill's story of Ballarat - a majestic provincial city built on the wealth derived from the great Australian gold rushes of the 1850s. An impressive glass-fronted building with commanding views, the Gold Museum offers an award-winning gift shop specialising in the sale of gold nuggets and Australian-made gold jewellery and fine giftware. Discover the beauty and power of gold as you view an impressive and valuable collection of gold nuggets, alluvial deposits, priceless gold artefacts and gold coins. 'Ballarat: Inspired by Gold' is a major exhibition presenting the story of Ballarat from its earliest days through to European settlement and the amazing impact of the gold rushes.
