Field of Light Star Pass Uluru (Field of Light + Sunset with Drinks)

As darkness falls and Uluru is thrown into silhouette, Field of Light illuminates. As far as the eye can see gentle rhythms of colour light up the desert.

The critically acclaimed Field of Light Uluru by the internationally celebrated artist Bruce Munro has now been extended until 31 December 2020.

The exhibition, aptly named Tili Wiru Tjuta Nyakutjaku or

'looking at lots of beautiful lights' in local Pitjantjatjara is Munro's largest work to date. Overwhelming in size, covering more than seven football fields, it invites immersion in its fantasy garden of 50,000 spindles of light, the stems breathing and swaying through a sympathetic desert spectrum of ochre, deep violet, blue and gentle white.

Field of Light Star Pass Uluru (Field of Light + Sunset with Drinks)

The experience begins with a convenient hotel pick-up and short transfer to the remote desert location with majestic views of Uluru.

You're welcomed at an exclusive dune top just after the sun has set on the horizon. Savour a selection of outback canapes with sparkling wine or beer as your host provides insight into the light installation that awaits you. As darkness falls, 50,000 glass spheres gently come to life. Covered under a sky brilliant with stars, Field of Light beckons you to explore and lose yourself momentarily in the rhythms of coloured light.
