• OVERVIEW •

## Sydney Jervis Bay 1.5-2 Hours Eco Whale Watching Cruise

Jervis Bay provides a spectacular backdrop for whale watching, so much so that it has become renowned as the premier whale watching destination in NSW. The 'eco-vessels' is able to get you out to the whales in very quick time so that you can spend more of your cruise viewing the whales rather than looking for them.

## Sydney Jervis Bay 1.5-2 Hours Eco Whale Watching Cruise

---

Also of interest is the fact that, especially on the southern migration, a majority of the whale viewing can be done in the sheltered waters of Jervis Bay meaning that you will be less likely to be subjected to the elements of the open ocean.

The 'Eco Whale Cruise' gets you up close and personal with the majestic 'Jervis Bay Whales' in the quickest possible time.

This is the way that whale watching was meant to be done!
