【Melbourne Phillip Island 3 Parks Pass】 Penguin Plus Close Up Viewing + Churchill Island + Koala Reserve

The Summerland Peninsula in the south-west of Phillip Island is home to an estimated 32,000 little penguins – one of the largest colonies in Australia. The Penguin Parade represents approximately 10 per cent of the colony. Each night at sunset, little penguins (numbering in the hundreds or thousands depending on the season) make the march across the beach and return to their burrow homes in the sand dunes.

Only 90 minutes from Melbourne, Victoria's wildlife island features spectacular coastal scenery and plenty of Australian wildlife. Visit the Penguin Parade, take a virtual tour at the new Antarctic Journey, experience our spectacular EcoBoat Adventures, see the koalas at the Koala Reserve, or let time unwind at Churchill Island.

Penguin Plus Close Up Viewing + Churchill Island + Koala Reserve

Penguins Plus Close Up Viewing

The Penguins Plus viewing platform is a joint venture between Phillip Island Nature Parks and RACV and offers visitors unprecedented, up-close viewing of the little penguins as they waddle along the most popular pathway at the Penguin Parade.

*Please book ahead during the holiday season as many penguin viewing options book out well in advance.

Koala Reserve

Explore the tree-top boardwalks at the Koala Reserve and see koalas up close in their natural habitat. Wander the extensive trails through the natural Australian bushland and enjoy the abundant bird life. The woodland is home to many animals including wallabies, echidnas and bats.

Churchill Island is an important place to local Aboriginal people and was the site of Victoria's first crops and European building in 1801. Enter the farm and meet Max the Clydesdale horse or Gregory the peacock. Churchill Island also boasts many beautiful walking trails amongst wetlands and beneath ancient Moonah trees.
