12 Apostles to Bay of Islands 25 Minutes Scenic Flight

Witness the highlights and hidden gems from a luxury helicopter. Go beyond the 12 Apostles to discover Victoria's coastal treasures. Marvel at dramatic cliffs, craggy stacks, pristine bays and crashing waves. The Bay of Islands tour reveals the very best of the Great Ocean Road.

12 Apostles - London Bridge - Bay of Islands Scenic Flight

Flying on beyond London Bridge, marvel at the diversity of one of Australia's most visited coastlines. As sand stone cliffs give way to limestone, you will be able to contrast the towering 12 Apostles to the intricate Bay of Islands, a cluster of smaller stacks that appear to float in the ocean. Other sights include Peterborough, The Grotto and The Bay of Martyrs.

On this flight you will see:

- **12 Apostles**
Witness the magnificent limestone cliffs and crumbling pillars created by the stormy Southern Ocean over millions of years.
- **Loch Ard Gorge**
Golden cliff faces with vibrant green tufts of vegetation flank a stunning pearlescent bay. Hear the remarkable history of Tom and Eva as you soar over the crystalline waters.
- **The Sentinel**
Separated from the mainland by wild weather, Sentinel Rock stands guard over the eastern gateway to the Great Ocean Road.
- **The Arch**
A precariously perched natural arch fending off blusters and blows from the prevailing wind and waves. Watch as the swell rises through the centre and rumbles out the other side.
- **London Bridge**
This was once connected to the mainland as a dual-span bridge. When one arch collapsed in the 90s, it reminded people of the impermanence of the coastline's dramatic features. Gaze upon the sweeping vistas and spot tiny penguins returning to

shore.

• **The Grotto**

Ocean spray and sunrays cast rainbows in the fine mist. Peer through the open cave as the rock pools are filled by thunderous waves.

• **Schomberg Reef**

Schomberg takes its name from a giant clipper that wrecked upon the reef in 1855. Fierce seas have led to many shipwrecks. Marvel at the rough seas from the comfort of your helicopter.

• **Bay of Martyrs**

The view from Bay of Martyrs is considered one of the most spectacular coastal scenes in Australia. Witness the vibrancy of the golden bay and rock stacks against a bright blue sky.

• **Bay of Islands**

Less visited but equally as beautiful as the 12 Apostles, the Bay of Islands has more than a dozen jagged rock stacks. Irregular boulders protrude from azure waters, wildflowers dance in the ocean breeze and rare birds nest along golden cliffs.
