Great Barrier Reef Full Day Tour by Reef Magic Cruise Depart from Cairns Hotels

Depart direct from Cairns on a fast, stable catamaran providing a smoother ride and reduced travel time, leaving more of your day to experience the magic of the Great Barrier Reef. The modern fast catamarans are never filled to capacity ensuring unmatched space, comfort & attentive service. Not a confident swimmer? Then stay dry and view the reef from the glass bottom boat or underwater observatory, try a Helmet Dive for a scuba-style experience without getting your hair wet (optional extra at own expense), or soar above it all on a spectacular Reef Scenic Helicopter Flight (optional extra at own expense). With 5 hours at the reef there is time to do it all.

Snorkelling

The Marine World site has been hand picked for its superior water clarity, biological diversity and overall quality of marine life. It is without doubt one of the most beautiful reef locations available anywhere in Australia and perfect for snorkellers.

On arrival at Marine World the crew will provide some handy tips on the correct use of snorkelling equipment and then help fit you with a mask, snorkel and fins so you can take to the water with confidence (all included in the cruise price).

The snorkel area is supervised at all times and personal flotation devices are readily available in adult and child sizes. Stairs lead down from the main deck to a submersed snorkel platform where you can sit down and put on your mask and fins. Access to the water could not be easier with the snorkel platform opening directly into a shallow, bright and sheltered coral lagoon.

Beginner snorkellers will feel comfortable being able to see the bottom at all times and an array of colourful corals and incredible fish life can be immediately seen without even letting go of the platform!

Glass Bottom Boat Tours

The open-air Glass Bottom Boat is more maneuverable, allowing your guide to hover over beautiful coral gardens, giant clams, schools of colourful reef fish and more!

Tours last around 30 minutes and include a running commentary.

Underwater Observatory and Fish Feeding Demonstration

The underwater reef viewing observatory is open for you to walk through at any time of the day. Watch the Introductory Scuba Divers head off from the moon pool.

At lunch time the Marine Biologist will announce the fish feeding demonstration which starts in front of the observatory windows

before moving to the snorkel platform.

The feeding frenzy includes large schools of Red Bass, Trevally and the star of the show, Wally, the resident Giant Maori Wrasse!

For an exhilarating experience grab your snorkelling gear and get amongst it or take a seat on the submersed snorkel platform as the fish bustle in around you looking for a free lunch!

Marine Biologist Presentation

En route to Marine World the Marine Biologist conducts an informative slide show presentation, loaded with interesting facts on the Great Barrier Reef and tips on how to make the most of your reef visit. The presentation is conducted in the main saloon and relayed to TV monitors throughout the vessel. Reference books are also available as well as waterproof fish/coral ID cards designed to be taken diving or snorkelling.

Sundeck with Sun-lounges

The Marine World platform includes a spacious sundeck with comfortable lounges. This is a great place to relax, have a cool drink, enjoy lunch and just soak up the relaxed tropical atmosphere.
