Attractions

- **Corroboree**

The ancient world of our Australian ancestors is hard to imagine today. But at Dreamworld Corroboree, we do our best to bring this to life. With our incredible interactive experiences, we celebrate Aboriginal and Torres Strait Islander heritage, culture, wildlife and stories. Learn the ancient craft of fire making, face painting, weapon shaping, music and art while gaining an important understanding of the Indigenous tribal boundaries through the country. You can also get close to our native koalas, kangaroos and crocodiles. Dreamworld Corroboree is a unique place we invite you to explore and appreciate just how unique our land, ancestors, people and native animals are.

- **ABC Kids World and Wiggles World**

Spark their imaginations at ABC KIDS WORLD, where children can have fun with their favourite Australian TV characters in real life. Meeting up with Hoot and Hootabelle, the kids are taken on their own mini adventure on board the pirate ship, and get to ride on the new Hop and Hoot ride where they can see Hootabelle Twinklify the stars. At the Bananas in Pyjamas Fun Maze, kids get to have active fun darting in and out and meet the best-loved residents of B1 and B2. And at Play School, kids are captivated by games, stories and get lost in a world of creativity. If happiness is a place, this is it.

- **Dreamworks Experience**

At Dreamworld, we create magic by making dreams come true. With our incredible DreamWorks Experience, we bring family favourite animations to life and give kids the joy of meeting their character heroes in person or as you watch their live performances. Enter a fairy tale at Shrek's Faire Faire Away medieval. Next, learn the art of karate with the best in the business Po, at Kung Fu Panda: Land of Awesome. Finish it off by joining Marty and his stranded crew at Madagascar Madness, where the extra company will be very welcome.

- **Tiger Island**

Can you imagine coming face-to-face with the jungle's most fearsome predator? Here on Tiger Island, we make it possible. As part of our conservation work with DWF, our tigers are ambassadors for their cousins in the wild, as we work towards protecting the species. Be mesmerised by their grace as you watch them glide underwater at the splash pool and feel in awe of their brute strength at feeding time. And if you feel hungry afterwards, sink your own teeth into an Asian-style feast at the island's restaurant. So venture down to get up close and personal with the Animal Kingdom's largest cats as they prowls the grounds. See our tigers play during the daily Tiger Presentations at 12.00pm and 3.30pm.
