• **Uluru Climb Information**

Uluru is a sacred sight for the Anangu people and they prefer that visitors do not climb it. With this in mind, we do not recommend it. Throughout the year the Uluru (Ayers Rock) climb may close unexpectedly due to Aboriginal cultural reasons or inclement weather conditions prevailing at the time such as high temperatures, rain, strong winds, storms, low lying clouds or insufficient light. **IMPORTANT:** Please note that as of 26 October 2019 the climbing of Uluru will be banned altogether.
