## Whitehaven Beach

With a backdrop of tropical rainforest, Whitehaven Beach is regularly crowned Australia's #1 beach. Pristine, pure, perfect - the silica sand here is dazzlingly white, washed in on the tide over thousands of years. Located on the largest island in The Whitsundays, Whitehaven Beach offers up 7km of shore to explore - swim, snorkel, laze on the sand or even take a hike through the forest to an ocean lookout or secret swimming spot: your time here can be as energetic or relaxed as you'd like it to be. Don't miss the walk to the spectacular viewpoint over Hill Inlet at Whitehaven's northern end, where a swirl of white sand and turquoise water fuse to create a stunning blend of colours.

## Highlights and Inclusions

Departing from Airlie Beach, Camira cruises past Whitsunday Island, passing Daydream, Hamilton and Hook islands en route. On Whitsunday Island's east coast, Camira moors at the northern end of Whitehaven Beach, a 7km arc of dazzling white sand, regularly voted Australia's best beach. On a guided hike to Hill Inlet lookout, follow a path walked by the Whitsundays' traditional owners, the Ngaro people. Back on the beach, swim, snorkel and stroll along the shore before a BBQ lunch and your journey home.
