## ZOOM Activities

- **Mid-ZOOM**

The Mid-ZOOM course offers an easier level of difficulty and is suitable for familiarisation and initial training of equipment and heights before head up onto the more challenging activities. It's also great for younger kids!

There's plenty to keep adrenaline pumping! The course runs 3m above the ground and has a range of elements including climbing walls, tunnels, a cargo net and swings. There's even a zipline!

Remember to look down as you make your way through the course - you'll get a unique view of the Wildlife Dome, and you might even spot a scaly crocodile friend or two!

Please note: Completion of the Mid-ZOOM is required to take part in the Hi-ZOOM. Height and age restrictions apply.

- **Dome Climb**

We don't mean to brag, but we're pretty sure the Dome Climb offers some of the best views of Cairns!

Walk around the external 60cm wide platform, you'll see Cairns from all angles - out to the Trinity Inlet and Coral Sea, down towards Walsh's Pyramid in Gordonvale, across to the mountains west of Cairns, and north to the beaches. It's pretty special!

Safely tethered to the rooftop with the SafeRoller belay system, allowing you to roam with both hands free - that means plenty of selfie and photo opportunities!

After head back inside, you'll be treated to a birds-eye view of the Dome, before descending ... either via the staircase, or the 13m Power Jump

Please note: All participants be over 6 years of age and weigh under 120kg

- **Power Jump**

This enthralling component is a free fall adventure, where jump off a 13m high tower attached by rope to make a rapid descent, with a fan device ensuring a gentle and smooth landing.

Please note: All participants be over 6 years of age and weigh under 120kg

## Wildlife Experiences

With the Wildlife Dome Entry, wander through the wildlife park at own pace and visit the extensive range of native Australian animals on display. Enjoy a number of free interactive wildlife shows and presentations, including feeding tours, koala and mammal talks, and reptile presentations.

The Small Bird Aviary and Rainforest Aviary are the perfect opportunities to view some of the birds up close, or take a seat and watch as the larger birds fly freely around the Dome. Meet the friendly Red-Legged Pademelons in the Wallaby Walk, or observe the different lizards on display in the Lizard Lounge.

Cockatoo Corner is the home of the resident cockatoos - Jo Jo, Holly and Willow - whilst Koala Kingdom is the perfect place to see the koalas, Nellie and Micro.

## Wildlife & ZOOM Photos

We want you to remember your experience at the Cairns ZOOM & Wildlife Dome so we have created special photo opportunities that you can have during your visit.

- **Koala Photos**

Have your photo taken with one of the cute Koalas during the day at 09:30, 10:30, 11:30, 12:30, 13:30, 14:30, 15:30, 16:30, 17:30 and 18:30.

- **Reptile Photo**

Have your photo taken with one of the freshwater or estuarine crocodiles ... or maybe even a snake! Photos are taken on the hour from 09:30 to 16:30

- **Power Jump Photo**

Strike your favourite pose as you do the PowerJump, but remember - it's fast! Don't forget to smile and face the camera!
