Reconfirmation requirements

Please be advised you are required to contact The Service Provider 24 hours on 03 5951 2830 prior to the travel date during business hours to reconfirm your booking, meeting point and time, and departure time with your confirmation number. Please adjust your travel plan according to the details given by The Service Provider at time of reconfirming.

Check-in requirements

The Ultimate Penguin Tours have strict start times. Regrettably, failure to arrive before this time will most likely be classified as no-show and result in forfeiting the booking and it cannot be refunded or transferred.

If you are not familiar with the area or travelling on a weekend or local public holidays / school holidays, please make sure you've checked your timetable or driving route beforehand, and allow extra travelling time for unexpected delays to ensure you do not miss penguin arrival.

What to bring/wear

- Wearing contact lenses instead of spectacles may make the use of night scopes easier for those visitors who have this option.
- Comfortable enclosed walking shoes are mandatory
- Please bring your own gumboots and wet-weather gear if rains (must be dark and non-reflective)
- The Penguin Parade is at sunset and at the outdoor, suggest to bring warm clothes
- A rug to sit on the seats is also handy
- Appropriate clothing for all weather conditions, eg. jacket for cooler months.
- Water bottle, Snacks
- Insect repellent
- Money / credit card for optional purchases

• OVERVIEW •

Melbourne Phillip Island Nature Parks Ultimate Penguin Tour

Be one of the select few to venture out to a secluded beach away from the Penguin Parade on this fully accredited Eco Tour, perfect for lovers of both nature and adventure. Personal headsets ensure you hear all of the informative commentary, while high-tech night vision scopes allow you to spy on the penguins in the dark. A true highlight of this tour is the walk back to the visitor centre through the heart of the penguin colony.

Ultimate Penguin Tour

Please book ahead during the holiday season as many penguin viewing options book out well in advance.

Phillip Island Nature Parks

Phillip Island is part of the UNESCO Western Port Biosphere Reserve and encompasses wildlife sanctuaries, wetlands, woodlands and breathtaking coastlines which are protected and managed by world-renowned environmental and research programs. Habitat within Phillip Island Nature Parks supports significant populations of little penguins, hooded plovers, short-tailed shearwaters and other international migratory bird species, and mammals such as koalas, possums, wallabies, Australian fur seals and bats.

Penguin Parade

The Summerland Peninsula in the south-west of Phillip Island is home to an estimated 32,000 little penguins – one of the largest colonies in Australia. The Penguin Parade represents approximately 10 per cent of the colony. Each night at sunset, little penguins (numbering in the hundreds or thousands depending on the season) make the march across the beach and return to their burrow homes in the sand dunes.

Fun Facts

- Little penguins are the smallest of the 17 penguin species and the only penguin that lives permanently in Australia.
- There are approximately 32,000 breeding penguins on Phillip Island.
- The first tourists visited the Penguin Parade in the 1920s.
- In 1955 the State Government established a large reserve over the penguin colony.
- The Little Penguin Scientific Advisory Committee was formed in 1966 and penguin counts and research programmes began.
- The Phillip Island Nature Parks were established in 1996.
