Moreton Island

Moreton Island is the third largest sand island in the world and located only 40 kilometres north-east of Brisbane. The Island consists entirely of sand, apart from a small area of sandstone and rhyolite at Cape Moreton, which has built up over the past 400,000 years. It is also home to the highest coastal sand dune in the world, Mount Tempest, which at 285 metres provides 360 degrees of breath-taking views. Moreton Island is one of the least polluted and least disturbed coastal environments along the Queensland/New South Wales coast.

Tangalooma Resort

Tangalooma is the Gateway to Moreton Island. Just a 75 minute ferry trip from Brisbane, Tangalooma Island Resort provides Brisbane's closest access to the beautiful Moreton Island, home to amazing natural flora and fauna. The resort is the perfect family holiday destination for guests seeking a unique adventure, relaxing stay or educational and nature based experience - all this right on Brisbane's doorstep! Protected and treasured, this is nature's theme park where amazing natural encounters are just part of the everyday experience. A great getaway for families and couples, built for fun and famous for wild dolphins. Everything is at your door.

About Tangalooma's Dolphins

The untouched national and marine parks of Moreton Bay make Tangalooma one of the few destinations in the world where visitors can interact with native wildlife in their natural environment.

The island welcomes whales, dugongs, stingrays, countless sea birds and turtles but undoubtedly the favourite regulars are the family of wild bottlenose dolphins who visit our shores each evening to be hand-fed by resort guests. Since stealing the heart of resort owner Betty Osborne over 20 years ago, the dolphin family have become a key part of the Tangalooma Story. Experience their beauty for yourself as part of the evening dolphin feeding program. This memory will last a lifetime!

We embrace environmental protection and encourage guests to visit our Tangalooma Marine Education & Conservation Centre to learn more about these beautiful creatures and the work that we do.

Desert Safari Tour

Cruise down the dunes of the Tangalooma desert. Feel the need for speed? Take a journey to the Tangalooma Desert as part of this thrilling and bumping 4WD bus tour where getting there is half the fun. Guests will receive a unique look into the heart of Moreton Island and then participate in the exhilarating sport of Moreton Island sand tobogganing, reaching speeds of up to 40km per hour!
