Canberra 2 Days Tour Departs Sydney

Joining this overnight Canberra tour is perfect for those who would really like to get to know the nation's capital city! You have the benefits of a fully organised day tour, a night accommodation at a great hostel, plus a free morning and afternoon to spend as you please! Travel with a small group from Sydney through Australian bush and sheep country and visit all Canberra's highlights!

Day 1 Sydney - Canberra (- / - / -)

Your awesome driver guide picks you up early morning and soon you'll be enroute to the Bush Capital, cruising the NSW Southern Highlands through typical small Australian country towns. Stop somewhere along the way to grab a coffee (own expense) and stretch your legs before arriving at Canberra. Take a guided tour at Canberra Parliament House; an architectural masterpiece costing \$1.1 billion. From the inner walls of power to walking on the roof, this is an amazing spot to explore.

Take a break for lunch (own expense) before 2 hours of free time at the National Museum of Australia. The modern National Museum of Australia is well-known for controversial expositions regarding key issues of Australia's social history, people and events.

After your free time here, you'll rejoin the group for a visit of the Australian War Memorial. Time for reflection as you'll learn about the legends of Gallipoli, the ANZACs and sacrifices and losses suffered by Australians in past wars fought around the world. Then take a drive through Yarralumla, one of Canberra's largest suburbs for a close look of the many national embassies. Each embassy is uniquely designed to reflect aspects of their country's culture.

At the end of the day, you will be dropped at your accommodation, the Canberra City YHA, located in the heart of the city with restaurants, bars, cafes, and shops only minutes' walk away. Check in and relax, then head out into the night!
