**• OVERVIEW •**

**Sydney Whale Watching 3hr  
Discovery Cruise Depart From Darling  
Harbour**

Whale Watching Sydney's 3hr Discovery Cruise is the best whale watching cruise in Sydney, combining high speed with 3 levels of viewing decks onboard the custom built, large catamarans.

Thanks to the high top speed (almost 30kts) of the vessel, it only takes 15 minutes from Circular Quay to the open ocean. That means less travel time through the harbour and more time watching whales compared to other, slower boats.

Board the Sydney's largest purpose-built whale watching vessel and enjoy unobstructed views from spacious wrap around decks over 3 levels. Check out the open top sun deck, providing 360 degrees of viewing!
