Sydney Harbour Tall Ship Champagne Brunch Cruise

A truly unique part of your experience aboard a tall ship is the moment the wind takes over and the sound of the engine fades away. Like stepping back in time, experience what thousands of sailors across the ages have felt as they stood on a tall ship's deck. Watch the wind fill the sails and feel its strength carry the ship across Sydney's sparkling harbour.

A Tall Ship Cruise gives you the unique opportunity to get involved - help us hoist and set the sails or take a turn steering the ship! If you'd like to heave on a rope you can - otherwise simply sit back, relax and enjoy the magnificent harbour views. If you are looking for a wonderful morning on the harbour combining fun, tall ship sailing and bubbly, then this is the cruise for you.
