Moore Reef Marine Base

The double-storey Moore Reef Marine Base is anchored at Moore Reef, 54km off Cairns. The base has been custom designed so all ages and abilities can explore and enjoy the wonders of the Great Barrier Reef.

The base is 50 metres long with a capacity of up to 400 people, and was recently refurbished and enhanced to now feature a large upper-level sundeck, which is the perfect spot to relax in the tropical sunshine, and prime position to look out over the turquoise waters and mosiac of the reef. The sundeck is also where the Sunlover Sunslide starts on its 30 metre spiral descent into the tropical waters.

On the lower level, there is plentiful seating in the shade. The boat docks alongside the base and gangplanks provide seamless access between base and air-conditioned boat.
