Other info

【Important Post-Covid Service Information】

- Prior to travelling, you will be required to provide a current phone number and residential address (address of accommodation if travelling) and your full name in order to complete your activity.

- Minimum booking of 6 passengers. Tours may not proceed if minimum number is not met.

- Accurate passenger weights are requested at time of booking for all helicopter passengers.
- Child age for all helicopter flights is 3-14 years.
- One (1) infant under the age of 3 may travel free of charge if seated on a guardian's lap. Maximum one infant per helicopter as per CASA regulations - subject to pilot approval.
- Bookings can be made for individuals, however a minimum of 2 persons is required for helicopter to operate. Flights are subject to pilot's discretion, weather, air traffic control and availability.

• OVERVIEW •

Great Barrier Reef Full Day Tour by Reef Magic Cruise Depart from Cairns Hotels: Fly/Fly

Marine World is an established Outer Reef platform which is located on the Eastern end of Moore Reef. It is a purpose-built two-story pontoon featuring various facilities upon its spacious decks, and has exclusive access to a stunning coral reef location selected for its superior water clarity, coral quality and overall diversity of marine life. The Marine World activity platform has something for everyone from the non-swimmer or first time snorkeller to the most experience certified diver, perfect families or groups who all want to do something different.

Great Barrier Reef Full Day Tour by Reef Magic Cruise Depart from Cairns Hotels: Fly/Fly

Helicopters

Travel in style and book a helicopter flight to/from Marine World (two-way helicopter flight – approx. 20 minutes flying time each way).

Breath taking scenic reef flights are an alternative to in-water activities and coral viewing vessels, soar above it all in a helicopter for a spectacular birds eye view of the Great Barrier Reef!

From the moment you lift off uninterrupted panoramic views provide a unique perspective of this stunning World Heritage Listed location. The turquoise waters of the Coral Sea are alive with extensive coral formations. Spot turtles, rays, reef sharks and schooling fish.

Snorkelling

The Marine World site has been hand picked for its superior water clarity, biological diversity and overall quality of marine life. It is without doubt one of the most beautiful reef locations available anywhere in Australia and perfect for snorkellers.

On arrival at Marine World the crew will provide some handy tips on the correct use of snorkelling equipment and then help fit you with a mask, snorkel and fins so you can take to the water with confidence (all included in the cruise price).

The snorkel area is supervised at all times and personal flotation devices are readily available in adult and child sizes. Stairs lead down from the main deck to a submersed snorkel platform where you can sit down and put on your mask and fins. Access to the water could not be easier with the snorkel platform opening directly into a shallow, bright and sheltered coral lagoon.

Beginner snorkellers will feel comfortable being able to see the bottom at all times and an array of colourful corals and incredible fish life can be immediately seen without even letting go of the platform!

Glass Bottom Boat Tours

The open-air Glass Bottom Boat is more maneuverable, allowing your guide to hover over beautiful coral gardens, giant clams, schools of colourful reef fish and more!

Tours last around 30 minutes and include a running commentary.

Underwater Observatory and Fish Feeding Demonstration

The underwater reef viewing observatory is open for you to walk through at any time of the day. Watch the Introductory Scuba Divers head off from the moon pool.

At lunch time the Marine Biologist will announce the fish feeding demonstration which starts in front of the observatory windows before moving to the snorkel platform.

The feeding frenzy includes large schools of Red Bass, Trevally and the star of the show, Wally, the resident Giant Maori Wrasse!

For an exhilarating experience grab your snorkelling gear and get amongst it or take a seat on the submersed snorkel platform as the fish bustle in around you looking for a free lunch!

Marine Biologist Presentation

En route to Marine World the Marine Biologist conducts an informative slide show presentation, loaded with interesting facts on the Great Barrier Reef and tips on how to make the most of your reef visit. The presentation is conducted in the main saloon and relayed to TV monitors throughout the vessel. Reference books are also available as well as waterproof fish/coral ID cards designed to be taken diving or snorkelling.

Sundeck with Sun-lounges

The Marine World platform includes a spacious sundeck with comfortable lounges. This is a great place to relax, have a cool drink, enjoy lunch and just soak up the relaxed tropical atmosphere.

Sample Itinerary*

*Reference Only. Subject to change without notice. Itineraries may operate in reverse order, in a different sequence, be swapped around, or in rare circumstances be replaced by other best suited items to suit tides, times & conditions.
