Fremantle to Rottnest Island One Way Ferry Service

Rottnest Island

Beautiful beaches, cute Quokkas and wonderful snorkelling – Rottnest Island is a must see spot!

Perth's idyllic island playground, Rottnest is just a short ferry ride from the mainland and a world away from city life. For such a tiny island, this car-free and carefree Class A reserve packs a lot of pleasure into a day.

Getting to "Rotto", as the locals affectionately call it, is a breeze. Just a short 19 kilometres off the coast, Rottnest Island is an A-Class reserve offering a wealth of holiday experiences that covers six major habitats and 63 bays and beaches. The island is also world renowned for being home to the one of the world's cutest creatures – the Quokka.

Meet a quokka

Rottnest Island is known globally as the home of the cutest and most photogenic animal in the world, the quokka. Apart from a small

colony on the mainland, they are found nowhere else on Earth. These tiny animals, related to wallabies, are found in abundance on the island, and have no fear of humans so will often come right up to visitors. Remember that it is illegal to touch or feed quokkas, so keep a respectful distance and use a selfie stick for the best photo. Rottnest Island is also home to one of the world's most critically endangered mammals, Gilbert's potoroo, which have been introduced to the island to help revive the species.

Rottnest Island Essential Hints and Safety Tips

- Observe but do not touch or feed the wildlife. On the spot fines of \$150.00 may apply to anyone seen interfering with animals (including feeding).

- Rottnest Island is a high fire risk area. Fires are prohibited at all times.
- Helmets are compulsory by law in Western Australia when cycling. Please ride safely and responsibly and keep left on all paths. Stay on the cycle and walk paths to protect flora.
- As tempting as it may be to "borrow" a bike, please be aware that this is considered stealing and a criminal offence.
- Treat Indigenous and heritage sites with respect.
