Dive

- Age restrictions requirements

- Introductory Diver: Minimum age 12
- Certified Diver: Minimum age 10 and must dive with parent, guardian or private guide.
- All passengers who want to dive will be required to fill in a medical questionnaire prior to their dive. If you answer yes to any questions then a medical assessment that conforms to the Australian Standard is required and you must be found fit to dive. Download it from <https://www.enjoyaus.com/pdf/intro-dive-waiver.pdf>. Please complete the form and bring it with you on the day of your tour.
- Certified divers must show an internationally recognized scuba card.
- Divers over 65 years old (45 years for dive courses) and anyone who answers YES to any of the questions on the medical questionnaire must have a medical clearance with a physician the confirms they are Fit To Dive. This can be provided by your own GP before you leave for your holiday.
- Please be aware that certain medical conditions (e.g. asthma, heart disease, diabetes) and/or prescription medication may prevent some people from diving.
- In the interests of safety, no flying is recommended within 24hours of last dive.
- You will not be allowed to dive until you are declared medically fit to dive.

Cairns Great Barrier Reef: Outer Reef Cruise and Dive Full Day Tour by Evolution Cruise

Scuba Diving the Great Barrier Reef from Cairns

Scuba diving the outer Great Barrier Reef is one of the top things to do in Cairns. Discover the marine wonderland of the outer reef, with colourful coral, fish, turtles and more! In addition to snorkelling, scuba diving is available on every full day reef tour.

Dive for the first time or join a certified group

Catering to both dive beginners and certified divers, this scuba diving package includes a full day reef cruise, snorkelling, one introductory or certified scuba dive, full dive & safety briefing, specialised top-rated dive gear, and a fully qualified dive instructor.

For First Time Divers: after an in-depth briefing from the expert dive staff, you will be geared up and jump in the water for the thrill of a lifetime as the instructor guides you through this amazing wonderland.

For Certified Divers: either buddy up with a friend for the event or upgrade to include a PADI dive guide as you plunge into the abundance of marine life and check out the amazing ecology of the reef.

Your day on the Great Barrier Reef

Your Great Barrier Reef day tour begins by boarding award-winning superyacht Evolution and being met by the professional and expert dive crew who will make sure you are comfortable and ready for an adventure-filled day.

Relax onboard your 35-metre luxury superyacht for the day, as you cruise from Cairns to two exclusive outer Great Barrier Reef sites. Guests enjoy the longest amount of time on the reef in a day tour, with a total of five hours on the outer reef visiting stunning and diverse reefs such as Norman, Saxon and Hastings. These locations are chosen for their exceptional coral density and prolific marine life.

Upon arrival at your first reef location, either Saxon or Norman Reef, it's time to snorkel and dive! Hop in the water with your provided equipment and discover the underwater world full of multicoloured fish, coral, and other marine life. Instruction is provided for beginners, and your knowledgeable dive crew are on hand to encourage and help you if need.

During your time on the reef, you will enjoy a BBQ lunch prepared onboard with fresh fish, steak, a variety of salads, and prawns. (Menu is reference only and subject to change without notice)

At the second reef location, North Hastings Reef, you can snorkel again.

On the return cruise back to Cairns, sit back and relax with a glass of wine and afternoon tea to celebrate the end of your day tour on the Great Barrier Reef.

Cancellation Policy
