• OVERVIEW •

Story Bridge Adventure Climb— 2 Hours Day Climb

The Story Bridge is Brisbane's most iconic structure and the best way to see Brisbane is by climbing it! Experience a unique perspective of the city and its surrounds, from the Glass House Mountains in the north to Moreton Bay in the east and stretching towards the Scenic Rim Mountains in the south, along with the best views of the Brisbane skyline and its surrounds.

Story Bridge Adventure Climb— 2 Hours Day Climb

Day Climb

Enjoy the sunshine as climb the Story Bridge. The day climb time begins from early morning to late afternoon (post dawn and pre-twilight). Take in a full 360-degree panorama of Brisbane and its surrounds. From the Glass House Mountains to Moreton Bay and south to the Scenic Rim, enjoy the best views in Brisbane.

Downtown Adventure

The adventure begins at the Climb base camp, directly under the Story Bridge itself. After a quick pre-climb brief, will depart the base and ascend a spiral staircase that leads to the start of suspended walkway directly beneath the Bradfield Highway (Australia's shortest Highway). From here connected to the climb line for the entire climb and will start the journey along the suspended walkway to the base of the southern pylon, learning about the colourful history of the Story Bridge and Brisbane.

By now should have warmed up—because it's climb time! Start the climb up through the inner Eastern bridge arm, climbing level with one of Brisbane's busiest commute points and then ascending straight up the south-eastern cantilever arm that stretches over the Brisbane River and reaches up into the sky. Before celebrating with the climb group on the summit platform, where will get the bearings and some fun facts about the amazing 360 panoramic.

Venturing further along will explore the bridge from a different angle, travelling approximately half way across the river below before returning to the top platform for a final climb group photo before descent back to the Climb base camp.
