Gold Coast 1 Hour Stand Up Paddle Beginner Lesson

Stand up Paddle lesson begins with a safety briefing and basic instruction followed by a demo by instructor for a full visual of what to expect. Then get out on the water to experience walking on water for the first time.

The paddle boarding lessons are close to shore, flat water only and very easy to get the hang of. Whilst your instructor helps you along the way with balance tips she/he will coordinate the group to begin paddle technique training to ensure you are all the best paddlers by the end of the lesson.
