The Experience

Check in: from 14:00

Check in to the Retreat from 2pm, arriving at the Wildlife Retreat entrance on Bradleys Head Road in Mosman, just down the hill from the main entrance to the Zoo.

* If arriving by car, you'll be greeted by staff who will take your care of your bags while you park your car in the main Visitor Carpark (100 metres up the hill).

* If you are arriving by Sky Safari, make your way to the lower entrance to Sky Safari and let the attendant know that you are a guest of the Wildlife Retreat. Once you arrive at the top of the Zoo, one of the friendly staff or volunteers will be able to direct you to the Wildlife Retreat.

Afternoon Sanctuary Tour: from 15:30

'The Sanctuary' is a thoughtfully designed habitat that is home to native Australian species: Koalas, Tammar Wallabies, Rufus Bettongs, Potoroos and Pademelons.
