Exhibits	Highlights	Details
Penguin Encounter	<ul style="list-style-type: none"> • Indoor Exhibit • Gentoo and King Penguins • Underwater and topside viewing areas 	This beautiful frozen exhibit is home to the second and third largest species of penguins in the world - the King and Gentoo penguins. Encounter these incredible birds up close in their icy wonderland as they dive in and out of the crystal clear water. You'll see their playful nature on the snow through the topside viewing area, and their elegant underwater flight through the stunning underwater viewing window.
Penguin Point	<ul style="list-style-type: none"> • Outdoor • Twice daily feeding presentations at 10:45 and 15:00 	Gain a rare and educational insight into the nature of these amazing flightless birds as you observe them diving, swimming, burrowing and playfully interacting with each other. Don't miss the twice daily Penguin Feeding Presentations to learn more about them from the keepers.
Polar Bear Shores	<ul style="list-style-type: none"> • Viewing from both indoor and underwater area • Home to twins Hudson and Nelson, cub Mishka and Mum Liya • Can't see the bears? They have the choice to come and go from the exhibit as much as they like. This allows them to feed, rest, play and spend time back of house. Feel free to wait, or visit again later. 	Observe the bears' graceful underwater swimming and playful behaviours through large underwater viewing windows.
Ray Reef	<ul style="list-style-type: none"> • Outdoor with shade • Feed the rays for a small extra fee • One large touch pool • Twice daily feeding presentations at 10:45 and 15:00 	See the rays glide through the water in this open touch pool. You can also learn about rays' roles in ocean ecosystems during one of the live educational presentations throughout the day.
Sea Jellies Illuminated	<ul style="list-style-type: none"> • Indoor • Fully accessible with an internal lift 	Experience Sea Jellies like never before with an illuminated backdrop full of colour and life. Plus, learn all about these amazing creatures in the first of its kind operating research laboratory from Griffith University.
Seal Harbour	<ul style="list-style-type: none"> • Featuring glass partitions and boardwalks • With expansive sandy bottomed lagoons, naturalistic play areas and crystal clear waters • Watch the seals splash, play and sun themselves 	Home to some of Sea World's rescued animals which were unable to be released, this exhibit is the perfect place to see the seals at play. Learn about the Long-nosed fur seals, Subantarctic fur seals and Californian sea lions.
Shark Bay	<ul style="list-style-type: none"> • Two-level exhibit with viewing topside and underwater • Touch pools and other interactive spaces • Fully accessible with ramp entry and exit 	You'll be amazed by the magical display of tropical fish, rays and other bottom-dwellers in the stunning Tropical Reef Lagoon - it's like a piece of the Great Barrier Reef on the Gold Coast. You'll come face to face with the impressive sharks that will glide past the huge windows offering a glimpse into the world of one of the ocean's top predators in the massive Shark Lagoon. This two-level exhibit offers incredible viewing both topside and underwater, as well as an interactive touch pool, a snorkel lagoon and a shark pool full of awe-inspiring beauty.
Seabird Rehabilitation Aviary	<ul style="list-style-type: none"> • Outdoor • Open air aviary • Various seabird species 	The birds in this area have been nursed back to health by the experienced staff, and many will never return to the wild due to disabilities caused mainly by carelessness with fishing hooks and lines.
