Important Information

- Medical Conditions:
 - Please note that some medical conditions, disabilities and impairments may exclude participants from rafting for safety reasons, e.g. pregnancy and serious vision impairments.
 - Passengers should disclose any medical condition, disabilities and impairments at time of booking.
- Liability Release Form:
 - All participants will be required to sign a liability release form prior to the trip commencing.
 - Passengers under the age of 18 years must have a parent or guardian sign on their behalf.
 - The Mulgrave River may be used for half day rafting tours, when the Barron River is not available due to river levels or other reasons.
- Strongly recommend purchasing your own travel insurance to cover possible unforeseen circumstances.

River Safety

- Customer Safety

All of customers will be fitted with top of the line safety equipment which is hand checked by the staff prior to getting on the water. On the bus journey to the rivers there will have rafting safety handouts to read in various languages. Detailed safety talks are conducted by the river guides prior to any rafting. On shore safety cover is set up by river guides where necessary and guides monitor the passengers safety during every rapid.
- River Guides

All guides are first aid trained and conduct regular first aid training sessions and are assessed on their skills regularly. Guides receive regular ongoing river training and assessments to maintain their existing high standards. All guides carry safety equipment to deal with any situation. Not only are the guides highly trained in white water rescue but they have detailed knowledge on their local area and surrounds.

Australian Whitewater Rafting Rapid Grading System

- Grade 1

Rapids are small to regular waves. The passage is clear and easy to recognise and negotiate. Care may be needed with obstacles like fallen trees and bridge piers.
- Grade 2

Rapids with regular medium sized waves (less than 1 m); low ledges or drops; easy eddies and gradual bends. The passage is easy to recognise and is generally unobstructed although there may be rocks in the main current, overhanging branches or log jams.
- Grade 3

Rapids with fairly high waves (1-2 m); broken water, stoppers and strong eddies; exposed rocks; small falls. The passage may be difficult to recognise from on the river and inspection from the bank may be required. Maneuvering to negotiate the rapids is required.

• OVERVIEW •

**Barron River Rafting Afternoon Tour
Depart from Cairns**

The Barron River Half Day Tour is a fantastic introduction to White Water Rafting. It's fun, exciting and exhilarating, suitable for all the family (aged 12 and over). Paddle through the World Heritage listed Rainforest of the Barron Gorge National Park and take on the thrilling Grade Three rapids of the Barron River as it winds it way towards the Coral Sea. This tour includes up to 2 hours of White Water Rafting, professional guide and all safety equipment.

Barron River Rafting Afternoon Tour Depart from Cairns

The beautiful Barron Gorge National Park is only 20 minutes from the centre of Cairns (40 minutes ex-Port Douglas). It's known for its rugged rainforest mountains, steep ravines, the mighty Barron Falls and of course, Barron Gorge, which has been carved out over thousands of years by the Barron River.

This is where you do the half day white water rafting tour, on the ebb and flow of the Barron River, as it snakes its way down from the mountains and heads out to the Coral Sea. This is a scenic rafting / rainforest adventure which combines calm water floating with a series of white water rapids for adventure and action.

The Barron River Half Day Tour is a fantastic introduction to White Water Rafting. It's fun, exciting and exhilarating, suitable for all the family (minimum age to participate is 12 years). Enjoy up to two hours rafting, on up to grade 3 rapids.

The rafts carry up to seven passengers plus your river guide. No experience necessary.
