Kangaroo Island Self Drive Own Car 2 Days 1 Night with Return Ferry

Cape Jervis is located on the Fleurieu Peninsula, which is a 2-hour drive from Adelaide and is the location of the SeaLink ferry terminal. Enjoy the 45-minute crossing to Penneshaw on Kangaroo Island and on arrival, begin to explore Kangaroo Island at your leisure.

Kangaroo Island is over 155km in length and 55km wide and is Australia's third largest Island boasting some of SA's most stunning beaches. With this package, you will have the opportunity to take in the spectacular coastal scenery, scenic landscapes, and fantastic National Parks.

Whilst Kangaroo Island is much celebrated for its wildlife, its food, wine and local produce are integral parts of the Kangaroo Island experience. Taste organic honey and sample honey products from the Island's famous Ligurian Bee. Take a guided tour through the stages of distillation at Emu Ridge Eucalyptus Distillery, the only commercial distillery still in operation in South Australia (own expense).

Enjoy some of Kangaroo Island's fine, home grown and award-winning wines and take in the stunning scenery surrounding the vineyards and cellar doors. Sip on the gins, vodkas, and liqueurs at KI Spirits, made using native Australian Botanicals and locally grown or sourced ingredients (own expense).

Enjoy an interactive, hands on and educational experience at Raptor Domain with either their Birds of Prey 'free-flight' display or Fang-Tastic shows. You can swim with dolphins or hop on board a fishing charter; enjoy swimming, snorkelling, surfing and scuba-diving too. If you'd rather keep your feet on terra firma, there's bushwalking, quad biking and sandboarding at Little Sahara (fees may apply).

Explore the wonders of this great Island such as the Seal Bay Conservation Park where you can join a guided beach tour with an experienced Park Ranger and walk amongst a colony of rare and wild Australian sea lions – a truly amazing and unforgettable experience (own expense).

Visit Flinders Chase National Park, a sanctuary for native Australian wildlife including kangaroos, wallabies, koalas and echidnas. Get some awesome photo opportunities at Remarkable Rocks and Admirals Arch, a natural nursery and haven for playful Long-nosed Fur Seals that can be seen resting, swimming and playing in the waves or on the rocks (entry fee into Flinders Chase National Park not included).
