• OVERVIEW •

Cairns Rainforest Tubing Half Day Tour Depart from Cairns and Northern Beaches

Come play in nature's theme park with this Half Day River Tubing adventure on the Mulgrave River. This fun and exciting tour is a safe water activity, which includes calm water drifting, small rapids and some beautiful scenery.

Cairns Rainforest Tubing Half Day Tour Depart from Cairns and Northern Beaches

The Mulgrave River is part of the catchment system for Queensland's highest mountains, Bellenden Ker and Bartle Frere, which is also Australia's highest rainfall area. This freshwater river flows year round and is bordered by rainforest and tropical vegetation, creating a lovely natural backdrop for your river tubing tour.

The Half Day River Tubing Tours are safe and fun. The minimum age to participate is 5. Minimum of 2 guides on the water. The guides are certified with the International Rafting Federation, a world wide organisation setting the standard in the rafting industry. Regular ongoing River Rescue and First Aid training ensures our guides maintain high safety standards on every tour.

Suitable for people of all experience levels, you'll float on professional, high quality, twin chamber tubes down the river and across small, fun rapids. There's a free snack included in the tour and you have the option of hiring shoes and/or a water proof spray jacket at extra cost. You should bring a towel and wear a swimming costume under your clothes. Please bring water resistant sunscreen and insect repellent with you and leave your jewellery and valuables at your accommodation.

This tour is a great introduction to river tubing. It's a hands on adventure and safe water activity, with beautiful scenery and surrounds. A great way to get out and explore nature's theme park in Tropical North Queensland.
