People aged above the age of 55 years old should consider their individual fitness and suitability for this tour.

It is the rider's responsibility to ensure that they have read and understand all of the above rider requirements.

- The Service Provider reserves the right to cancel or alter tours or activities where necessary due to: operational restrictions, weather conditions, mechanical defects or any other changes to operational conditions.

- Right of Refusal

The Service Provider reserves the right to prohibit any participant prior to the start of the tour, during the training session or tour itself from participating in the activity if the participant fails to meet the rider requirements. Additionally participants may be removed from the activity if they do not follow directions or instructions issued to them by staffs; in these instances no refund will be given.

- The Service Provider does not accept responsibility for loss or damage of any personal items stored at the site or carried on the participant or Segway PT during Segway activities.

- Government regulations prohibit smoking inside the tour vehicles. Guests are not permitted to smoke whilst riding a Segway.

- Language Audio Guides

Language devices are bookable in Mandarin, Japanese, Italian, German, Spanish and French on first come first serve basis. If the device is lost or damaged, fines apply. Please advise under "Special Request" when booking if needed.

- Most days in Central Australia are sunny and provide superb conditions for Segwaying. Sometimes though, particularly in the summer months, it does receive some rain. The Segway tours will continue to operate in rain or shine, unless it is unsafe to continue. On days when it is raining or after heavy rains The Service Provider may not be able to go the whole way. This is because the tracks can get too muddy and hazardous and they don't want to compress the tracks, making tyre marks. On these occasions The Service Provider will instead go a shorter way around Uluru and spend a little bit more time on foot, exploring caves and waterholes. If you're lucky you might even get to see some waterfalls.

## • OVERVIEW •
