Time	Name	Details
10:40	Giraffe keeper talk	Did you know that giraffes can see up to 2 kilometres into the distance? The expert Keepers will introduce you to these gentle giants, and tell you what makes them wonderfully unique.
11:00	Komodo Dragon keeper talk	The powerful Komodo Dragon is the largest lizard on the planet, they can swim 300 metres and did we mention they're venomous?!
11:30	Meerkat keeper talk	Whether absorbing the warmth of the sun, on the lookout for hungry predators or furiously digging for food, meerkats lead a busy life in the African desert.
12:00 / 15:00	Free-flight Birds	Have you ever seen an Andean Condor spread its three-metre wide wings? Learn about the condor and other exotic birds such as the Red-tailed Black-Cockatoo and Galah, as they fly against the iconic Sydney Harbour skyline.
13:45	Asian Elephant keeper talk	Ecological engineers, elephants play a huge role in the forest and are the heartbeat of Asia.
14:00	Farmyard keeper talk	Did you know that the alpaca's padded hooves make for less compaction on soil, which is better for the environment? In this kid-friendly session, you'll meet alpacas, goats, sheep and chickens, and learn about how we work towards sustainable farming.
14:30	Gorilla keeper talk	Gorillas may be the largest primates in the world but they are quiet and peaceful too!
14:30	Koala keeper talk	18 to 20 hours a day - that's how long a koala sleeps. Find out why from our expert Keepers, as you watch our cuddly marsupials resting in the exhibit's eucalyptus trees.
